Asphalt and Crushed Stone

ROAD CONSTRUCTION AND RESURFACING

P.O. Box 488

Hollidaysburg, PA 16648

PAVING NOTICE

Windber Boro has contracted with Grannas Bros. as the lowest bidder on the 2026 paving program. Weather permitting, the work will take place as noted below. We are providing advance notice as a courtesy, so you can plan. This is not a guarantee. In the event of rain, this schedule could be pushed back.

Tues 9/22 **Milling Graham Ave—From 6th st to 8th St**
Milling S Midway Ave—From 14th St to Sheetz parking lot

Wed 9/23 **Paving Graham Ave—From 6th st to 8th St**
Paving S Midway Ave—From 14th St to Sheetz parking lot

Our normal work hours are 6:30 am to 6 pm. The street will be closed during the work. Please find alternate ways around, and get your vehicle out ahead of time. During the milling day (milling is when we remove the existing paving), you will be able to get around the work crew, with minimal interruption. When the street is milled, please be careful, as the topcoat has not been placed, and there is a lip on the curbline, that could damage low clearance vehicles. However, when we pave the streets, there is more disruption. The road will be blocked off until the new paving cures, and you will not be able to go in or out of your driveway, for at least 3 hours after we pave. There will be NO on street parking during the days of the work.

Grannas Bros. will not be responsible for any damage to your vehicle or the roadway, based on your inability to follow these instructions. We are working for and under the direction of the Borough. Thank you in advance for your cooperation during this inconvenience, as it will result in a nice improvement for you and your neighbors.
